“ Tony we love you so much!  
My heart hurt, our lives will never be the same. I am so thankful for all of the memories we have but I wish we had a million more. You were always the life of family parties and get togethers. I would give anything for one more joke, laugh and smart ass remark. Our made up dances with Tabatha were my favorite. I will miss you always.

“ As a little girl, with two bigger boy cousins, Jonathan and Tony, I always felt safe and proud. Tony was always protective and sweet. I wish we could have spent more time together as adults. He had a one of a kind soul that every one will miss. I pray that Jayden knows his daddy was a wonderful person and I just pray for my whole family in these hard times.
