“ We are so sorry to hear that Arleen has passed away. It wasn't too long ago I visited her and she had given me so many tops because she said she lost a lot of weight and she was going shopping with Michael to get new ones. Mac and I went out with Arleen and Ray for long rides many many times and we also went 230 miles and ended up in Lawrence, Mass to eat. I found that hilarious, but we loved being with them. I will miss Arleen very much. She was a true friend of mine.
