“ Natalie was and still is a wonderful person. We will miss her and we regret not knowing the details of the funeral until it was too late. Our favorite memory of her was the kindness she always showed when we got together.

Safe travels our friend, we know you are in a wonderful place,
Love,

“ Since the time we arrived in our shared neighborhood, Natalie and Joe were always both so kind, welcoming, and loving to our family. Always waving and smiling when we passed them or they passed us. Always offering a kind word when the opportunity to speak presented itself.

We are deeply saddened to hear of Natalie's passing, especially since this last year has kept us neighbors apart. It doesn't seem right to not have had a real exchange of warmth and caring in so long a time. It doesn't seem right to not be able to have offered comfort to her or Joe during this trying time.

We will miss Natalie as our dear neighbor and we especially offer our sincerest condolences to her husband and our friend Joe and the family she leaves behind.

Natalie and Joe have been wonderful friends and neighbors and we were lucky to have them and enjoyed our time with them. We hope that Joe can eventually find some peace and comfort in all of this as it is a very difficult and trying time for him and we will look for opportunities to assist him.

With love for Natalie and Joe,

The Scotts
