“ Charlie was a wonderful character. My grandmother lived just a few houses away from him, and I recall many fond memories throughout my childhood of saying hello to him or hanging out in his driveway. He always had a treat or a story for us. I was astonished when, 10 years later, my grandmother went to live at Nevins, and again, just a few doors down from her, was Charlie. Throughout his life, Charlie never lost the vibrant smile I remembered. My grandmother recently had the chance to sit by him in the day room and was so happy to have had a chance to sit and reminisce with him.

As we lost my grandmother just 3 short weeks ago, I too easily understand the heartache your family is going through. Sending warm thoughts and prayer to you.
