“ I met Don in the weight-loss surgery support group. He was very helpful to me and so many others who were struggling with understanding the whole process of having weight-loss surgery. Don remained a good friend on Facebook and I will never forget his kindness. I'm so sorry for this loss and I pray the memories bring comfort to his loved ones.

“ My condolences to you Pat and all family. Don was a true friend since 1980 and we had many good times together. Making Don laugh was easy and it was always a pleasure to laugh with him. He had a great mind and a big heart. Stephen Dean

“ Don often commented on my postings on Facebook. He was always so supportive, positive, generous and kind to me even though we only met in person once, when he had about 10 new friends over for a pot luck. I am so sad to hear of his passing.
