“ To Sharon, Dennis & Linda

Your mom was the reason so many of our events were organized!! Whether it was our "turkey dinner" at the camp, Whalom Park, Kimball's, Hampton Beach etc. she followed through with a plan to make it happen!! I loved sleeping over (and listening to the train), eating spaghetti (we never ate it at our house) and Italian bread . I loved getting in her white 1960 Chevy Impala with the black interior to go to Sampson's!! Linda, remember the twin outfits she let us buy? Friday nights at your house with Alfred Hitchcock, my dad leaving to pick your dad up from work?!!! New Years parties at my parents' house ! All of these are such simple but FUN memories, made possible by our parents, who are once again all together !! I can just see your mom now, explaining her journey to the others, and putting her hands in the "matter of fact position" that she did! They'll all be so happy to see her, as I always was. She's my Aunt, my Godmother and a lady I have always loved and admired! Thank you all for sharing her with us, love you all! Brenda XOXOXO
