“ We were sorry to hear about Bob’s passing. Even though we didn’t know him personally, he has done some wonderful work in our house. More important than that was his honesty and integrity. Specifically, he quoted us a price and when we went to pay him he said it was too much as we bought the paint ourselves and his quote included that. We would have had no idea and paid it all because he always did a great job at a terrific price. It’s so hard finding a decent, hardworking, honest man. I look around my house and am so honored to have had him put his mark on it. Thank you, Bob, for beautifying our home.
