

Steven Walter MacDonald

July 27, 1974 - April 17, 2022

Steven Walter MacDonald, of Penrose, Colorado, died on Sunday, April 17, 2022 at the age of 47. He was surrounded by the love and comfort of his family when he was called home.

As his affectionate nickname “Whopper” suggests, Steven had a larger than life personality. His laugh was infectious and smile genuine; if you were graced with either, you were lucky indeed. His intelligence, humor, and knack for storytelling were unmatched and will be sorely missed.

Steven was an avid musician, having played tuba and sousaphone in high school and drum corps, most notably with the Boston Crusaders. His passion for music inspired both his children and siblings to follow in his footsteps. He also enjoyed playing and spectating hockey, ragging on his Patriots’-loving family, and golfing.

Steven is loved and survived by his children, Steven W. MacDonald, Jr., Andrea MacDonald, and Jonathan MacDonald of Pittsburgh, PA; parents, Walter and Linda Lyons of Methuen, MA; siblings, Kelly Anne Lyons, Douglas Lyons, and Derek Lyons; numerous uncles, aunts, cousins, friends and so many folks that loved him; and his pups, Trixie, Dell, and Ali.

Family and friends will honor and celebrate Steven’s life by gathering for his calling hours, which will be celebrated from 4- 8 PM on Wednesday, April 27, 2022 at the Kenneth H. Pollard Funeral Home, 233 Lawrence Street, Methuen. His funeral service will held at 10 AM on Thursday at the funeral home. Burial will follow at St. Mary Cemetery in Tewksbury.

“ Steven Jr., Andrea, Jonathan, Walter & Linda. Deepest sympathy on the loss of your father and son. Steve and I met at Mattress Discounters in the late 90's and became instant friends. His love for music was greater than anyone else I knew; Steve introduced my wife Carol and I to the theater and we attend many shows together in Pittsburgh, Jonathan your mother was about to give birth to you and we were at a Sarah Brightman concert. One evening we attended a Show at the Cabaret Theater “Forbidden Broadway” there was an after show of sing along TV show tunes, Steve and I knew them all, took over the stage and sang every song. The stories are endless!! Steve would give you the shirt off his back if you needed it, had a very large heart and a personality that was larger. A favorite personality trait was Steve's large smile and he would just stare at you, my heart is smiling and sadden at the same time.

Rest In Peace my Brother, until I hear your voice saying again “Wingy”, with that big smile. Maybe I will get my sport coat back and remember Anything for the Kids. I Love You Brother!!

“ Steve was so dedicated to his talents music and that showed in every aspect of his life. I am so greatful that we were friends and then reconnected again by the grace of God. You were such a caring loving friend and everyone that knew you could testify to that many times giving more to others than yourself. You will be truly missed but so happy you are completely healed and healthy in the arms of Jesus.. If there's a welcoming band in heaven you are leading it. Love ❤️ you always Liz Meeks
