

## Theresa C. Ferrucci

May 23, 1941 - May 4, 2022

Theresa Corinne Ferrucci, wife, mother, sister, adventurous spirit, traveler, lover of all animals, part-time kleptomaniac (pens from doctor's offices were a favorite prize), old-school country music fanatic and a helper of anyone in need passed from this life on May 4th, 2022 just shy of her 81st birthday. She is survived by her son, Frank; and siblings, Alfred, Leo and Leon.

As per her wishes there will be a visitation on Sunday, May 15th from 2-4 pm followed by a short service at 4:00 pm at the Kenneth H. Pollard Funeral Home, 233 Lawrence St., Methuen, MA. Her ashes will be divided between the grave of her husband, Albert, and her parents, George/Lucienne.

In lieu of flowers or other tributes, please consider making a donation to Badass Animal Rescue ([www.badassanimalrescue.com](http://www.badassanimalrescue.com)) as their efforts made possible the great joy her "grand dogs" Marcie and Maeve brought to her. The English language is not sufficient to express the gratitude to the staff of Mary Immaculate nursing home for the care and compassion shown to her over the last few years and particularly at the end of her life. She is, and always will be, thoroughly missed. The Kenneth H. Pollard Funeral Home is honored to serve the Ferrucci Family.

“ Theresa has been a friend for many years. Her love of adventure and " why not?" attitude led her on some great explorations. We can still hear her unique laugh and chuckle as she retold the stories. Her eternal love for her son led her to explore every opportunity she could to give him all the best she could. Theresa loved to be with all her family but her relationship to her sister Lorraine was most precious.  
May she be at peace.

“ My Aunt Theresa was a wonderfully wholesome family woman. She loved her family and her home on Hoffman Street where she and my Uncle Al raised their son Frank. She was devoted to them and to her sisters and brothers, especially Lorraine with whom she spent so much time with over the years. Aunt Theresa and I shared many family stories whether in person or on the phone. We had many happy times celebrating Christmas Eve at my sisters house as well as Mothers Day at local restaurants. We also enjoyed birthdays at my grandmother's home and some great cookouts in the summer. She was a constant in my life, and therefore have been saddened by her death. She will always be remembered.

In loving memory of Auntie Theresa, a warm, kind person. She was very gentle and spiritual, yet incredibly strong. She was so proud of and dedicated to my cousin Frank and she always loved seeing his dogs and hearing about any dogs that family and friends owned. She had also been close to her late sister and her brothers. She also loved to look at pictures on my phone, whether it be my daughter Melanie or my cats. She had many good years, but in the recent years she went through many health problems and I for one, am relieved she is no longer suffering. She always called to thank me, each and every time I sent her a card. She was truly loved by her family.
